           This matter is on calendar for Motions / Trial Setting on Wednesday, February 20, 2008

    at 1:30 pm. For the following reasons, counsel for the government and counsel for defendants

24
    Blaylock and Seaton, respectfully request to continue this matter to March 26, 2008 at 1:30 pm.
25
           On February 2, 2008, counsel for the Government was injured in an accident and has
    been on medical leave for much of the time since that date. On February 20, 2008, counsel for

the government will have a knee surgery, necessitating additional estimated two weeks medical

leave following the surgery. Although counsel for the government intends to return to work as

soon as possible, she has been advised by her doctor that she should plan for a two-weeks absence following the surgery. Further, counsel for Seaton is unavailable on March 5, 2008; counsel for Blaylock is unavailable on vacation from March 6, 2008 through March 25, 2008.

Counsel for the government and counsel for defendant Blaylock and Seaton agree that the time between February 20, 2008 and March 26, 2008 is properly excluded pursuant to the Speedy Trial Act, Title 18 United States Code, sections 3161(h)(8)(A) and 3161(h)(8)(B)(iv) for continuity of counsel. Although counsel for defendant Gardner does not contest the need for the continuance due to counsel for the government's medical situation and is available on March 26, 2008, for the record, she objects to the continuance and exclusion of time for the reasons previously articulated in appearances before this Court.
